Installation Guide

WaWaYaYa JoyReader Pro

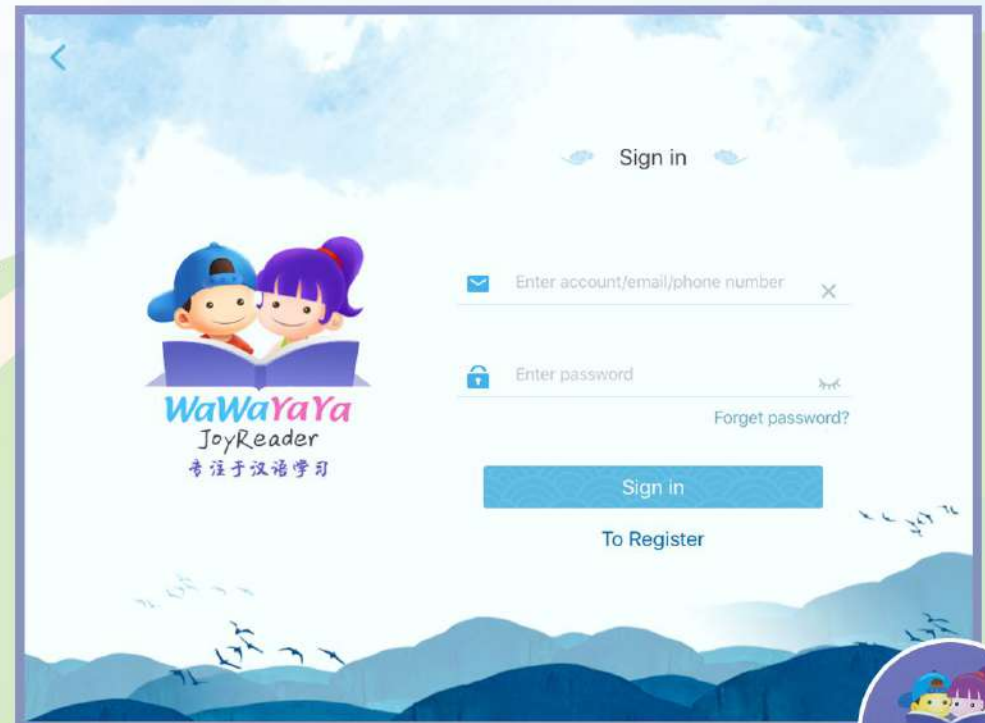

It is an updated version of our previous app. It features improved user interface and simplified design.

1 Type “**joyreader pro**” and you will be directed to the app in both App Store and Play Store.

2

This is the login page of JoyReader Pro.

- Sign in your account with your username and password.
- Click “Sign in” to login.
- If you do not have an account, please contact us or visit www.hansvision.com to purchase an account.

Installation Guide - General Settings

3 Select “” at the top-left area to access to general settings.

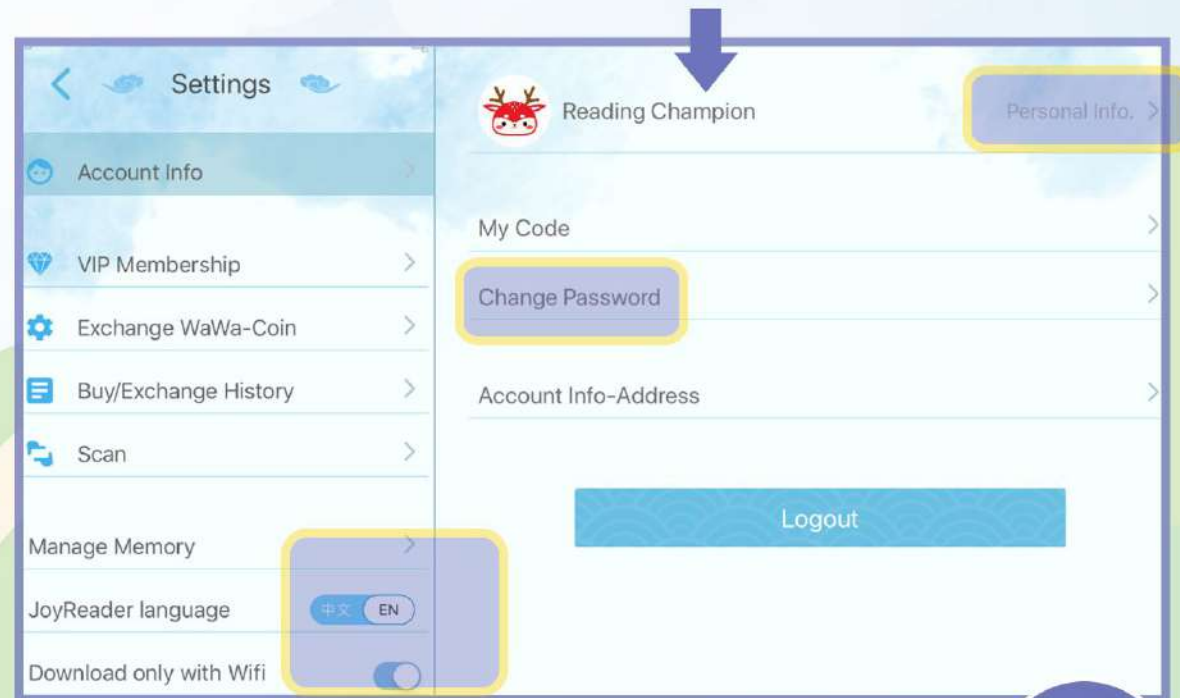

← Select “**Account Info**” > “**Personal Info**” to change profile picture from Avatar Library or personal photo album. You can also **change your password**.

4

Switch between 中文 and EN to set the display language.

Select “**Manage Memory**” to clear cache memory.

- Select “**Clear Books Cache**” to clear all.
- Select “**Remove selected books**” to clear selected individual books.

Note: Turn off “**Download only with WiFi**” to allow download of ebooks via mobile data.

Installation Guide - Library

5

In “**Library**”, all the ebooks are classified by “**Series**” and “**Publisher**”. Select your preferred sorting method to find ebooks.

Note: If you subscribe for English ebooks, select “**中**” to change to “**EN**” for English ebooks.

6

Under “**All levels**”, Choose ebooks from **Level A to Level L**.
Level guideline for local students:

- Level A & B: **Nursery 1 & 2**
- Level C & D: **Kindergarten 1 & 2**
- Level E & F: **Primary 1 & 2**
- Level G & H: **Primary 3 & 4**
- Level I & J: **Primary 5 & 6**
- Level K & L: **Secondary 1 & 2**

Installation Guide - Recommend

7

In “**Recommend**”, it shows newly added ebooks that are updated every month. Select “**more**” to access to more ebooks.

Note: Check out some of the popular ebooks.

Enjoy your reading journey

“Today a reader, tomorrow a leader.” - Margaret Fuller

“A book is a gift you can open again and again.” - Garrison Keillor
